

Applicant's Name: _____

School: _____

GWAII Engineering

Job Shadow Opportunity

In order to be considered for this opportunity, students must complete the following requirements, and submit to their Career Centre Team by _____.

1. Read and understand the September 20, 2023 Job Shadowing Opportunity document created by GWAII Engineering.
2. Answer and submit your response to the two prompts below in hand-written or typed form.
3. Submit an up-to-date resume.
4. Circle which month you would prefer the job shadow (circle all that apply):

NOVEMBER 2023

JANUARY 2024

FEBRUARY 2024

APRIL 2024

MAY 2024

Prompts:

- ❖ Write a paragraph introducing yourself, share why you wish to participate in this opportunity, and how this opportunity will help you with your future plans within the engineering pathway.
- ❖ After reading the Gwaii Engineering Job Shadowing Opportunity document, and visiting the Gwaii Engineering website (<https://www.gwaiieng.com/>), describe what caught your attention about Gwaii Engineering, and what project(s) you found most interesting.

*If selected, students must complete a volunteer work experience package that will need to be signed by parents/guardians. This will be provided to students by their Career Centre Team.
